- ▶ Microsoft Gold Competency Data Platform
- ▶ Microsoft Gold Competency Business Intelligence
- ▶ Authored Microsoft Official Curriculum for SQL Server 2008 R2
- ▶ Authored and Reviewed Microsoft exams for SQL Server 2008 & 2012

Client Testimonials

"The team at WARDY IT Solutions were able to leverage the innovative features in SQL Server 2008 R2 including PowerPivot and rich data visualisations to deliver a solution that is allowing us to easily identify trends in the learning outcomes of students."

Scott Carpenter, John Paul College

"I cannot recommend WARDY IT Solutions highly enough. Their professionalism and technical knowledge are both superior.

They weren't fazed by problems at my end, and they maintained their dedication and responsiveness to arrive at a highly successful outcome. I will recommend WARDY IT Solutions to whomever asks."

Graham Seach, Pacific Database

WARDY IT Solutions is Australia's leading SQL Server consultants, trainers and Business Intelligence specialists
